Sir:

A Decision on Petition was mailed in the above-identified application on June 9, 2000. An initial Petition was filed requesting that the application be revived on the grounds of unintentional delay. In the latest Decision mailed on June 9, 2000, it is set forth that all conditions were met except for a portion of item (4). In particular, a Terminal Disclaimer is needed which references applications under 35 U.S.C. 120, 121 or 365(c). Accordingly, attached herewith is a new Terminal Disclaimer which should satisfy the requirements of 37 C.F.R. 1.137(b). It is respectfully requested that this Terminal Disclaimer be accepted in the above-identified application. It is further submitted that the requirements of Item 4 and, in fact, all requirements for revival of this application have now been met. Favorable reconsideration and granting of all Petitions are respectfully requested.

In the Notice mailed on June 9, 2000, Applicants were given a period of two months from the date of mailing of the Notice in order to request reconsideration. Such a request is now being filed in the instant application and a Terminal Disclaimer is included therewith. It is believed that no further extensions of time are necessary and this Response is being timely filed. If, however, this

understanding is error, please consider this a Petition for Extension of Time and charge the appropriate fee to deposit account number 02-2448.

Finally, attached herewith is an Associate Power of Attorney and Change of Correspondence Address. It is respectfully requested that this form be entered in the USPTO file and that the USPTO records be updated.

Favorable reconsideration and granting of the Petition are again respectfully requested. In the event there are any outstanding matters remaining in this application, please contact the undersigned at (703) 205-8000 in the Washington, D.C. area.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Respectfully submitted,

BIRCH, STEWART, KOLASCH & BIRCH, LLP
